LUIS MUÑOZ MARIN MIDDLE SCHOOL

TIGERS

2010-2011

I would like to make the following dedication to our 8th grade graduating class of 2011. First, as your principal, I salute you and all your academic accomplishments throughout the 2010-2011 school year. Secondly, as the last graduating class of Luis Munoz Marin Middle School, I am extremely proud and honored to have served as your principal. I have witnessed the maturity and dedication that has embodied your class. Undoubtedly, you will all be very successful and excel in your future endeavors. Always keep your "Tiger Pride" in your hearts and minds. Therefore, I know that you will all serve as the best examples of excellence and determination. May your resolve and courage bring you happiness and success in all you do.

Sincerely,
Mr. Cepero

Vice-Principal's Address...

Congratulations to the graduating class of 2011!

You have the honor of being the last eighth grade graduates of Luis Munoz Marin Middle School. It has been an honor, privilege and joy to serve as your vice principal. I am extremely proud of you on achieving this milestone in your educational journey. As you embark on your quest for continued academic excellence, remember to stay focused and disciplined in your daily endeavors. High School, as well as the rest of your lives, will be incredibly complex, challenging and at times difficult. You must learn to overcome adversity and remain positive to prevail. In closing, let us not forget the words of Malcom X who said, "Education is our passport to the future, for tomorrow belongs to the people who prepare for it today." I wish you love, success, peace, and a very bright future.
